## RSA EDUCATIONAL OPPORTUNITIES

---

Retirement is a major decision and there are several other decisions which go hand in hand with retirement. Education is power and your employees need to be equipped with all available knowledge in order to make good decisions relating to their retirement.

The Field Services Division of the RSA offers educational programs throughout the year. There are two valuable seminars offered to members: (1) **Control Your Money Game** and (2) **Retirement Preparation**.

*\* As HR or Payroll employees, you may attend one or both of these programs for informational purposes. Call the RSA Field Services Division and ask to be registered.*

Schedules and registration forms for members are posted to the RSA Web site. Seminar packets are mailed each year to all agencies and school systems. Information on the seminars should be dispersed to all employees as soon as possible. All seminars have capacity limits and registration is required. Members may also register their spouses to attend.

### Control Your Money Game

This is an early to mid-career opportunity for all RSA members. It is a half-day program to help members understand how their pension program operates in order for them to make educated decisions and plans. These programs are focused on helping members get on track for a successful future and sound retirement.

### Retirement Preparation Seminars

These programs are for all members who are **within 5 years of retirement eligibility**. This is an extremely beneficial seminar and members should be encouraged to attend before they retire **or** enter DROP. Information is provided on Social Security, health insurance, the psychological and physical aspects of retirement as well as specific explanations of the retirement plan options.

### RSA On The Move

RSA agencies or school districts may request presentations through the Field Services Division. If you would like a field representative to come to your site, please make the call or email a request to [field.services@rsa-al.gov](mailto:field.services@rsa-al.gov).

## **One-on-One Appointments**

Appointments with counselors may be made for the Montgomery office at any time by contacting the RSA Member Services Contact Center at 877.517.0020.

RSA also offers appointments at various remote sites throughout the state. These one-on-one appointments are limited to 20 minutes and are filled in a date/time order. Schedules and forms are provided on the RSA Web site and announcement packets are mailed to all agencies and school districts on a yearly basis.
